

JAGUAR CHARGING PRICING

PAY-AS-YOU-GO

With this no-commitment option, you have access to the full Jaguar Charging network, powered by Plugsurfing. You simply pay the current variable price at each charger, and you can check it in your app before you charge. There is no monthly subscription fee.

Download the app and get started. Just tap your key & charge.

PLATINUM TARIFF

If you charge regularly away from home and want the certainty of fixed prices, we recommend our Platinum Tariff. There are preferential rates for AC, DC, and Ionity chargers, so you don't have to look up prices each time you charge.

Subscribe for the monthly fee of only €9.99 (including VAT) with a minimum of a 1-month commitment and benefit from flat rates anywhere you go.

Starting 1st May 2023, the Gold tariff is no longer available.
